Why should I do this qualification?

This qualification brings excellent career opportunities as it is the required qualification to be a Registered Manager with CQC.

It provides learners with the opportunity to understand the role of the care service manager by taking a strategic view of the business, understand how to work effectively with teams and organisations, how to deliver progressive outcome-based care and how to drive quality.

Am I suitable for this qualification?

To complete this qualification, you need to be working in a real work setting as a leader or manager. This course is suitable for people working in both residential and community settings and both regulated and unregulated services. You need to be able demonstrate that you have responsibilities which enable you to generate the required evidence at level 5.

It is recommended that candidates have previously completed a level 3 or 4 Diploma in Adult Care. This qualification is also suitable for people who are starting up services. See below in the 'Why should I do my qualification with 3 Spirit UK?' section additional support provided for start-ups.
